

TEXAS ROTORCRAFT ASSOCIATION
27 MAY 2006

The meeting was called to order by president Gene Hull at 12:15. The meeting location was The Club at Runaway Bay, Bridgport Texas.

Rick Hardin was introduced to the members, he is new to gyros and is possibly a new member for the Association.

Bob Stark gave a summery of the 29 April flyin held at Olney Texas. Bob Stark gave a presentation on aircraft electrical systems.

Roger Zwicker presented a summery of progress on his gyro with a Subaru 2.2 engine. He is making good progress.

Jay Steindorf discussed his Air Command gyro, presently located at Air Command and advised Bob Stark DAR that he is almost ready for inspection.

Gary Buster gave a report on his new (to him) Piper Tripacer. (also known as a flying milk stool). He has just purchased it and is having fun learning its personality.

We then adjourned to the airport for some serious hangar flying.

Members present:

Bob Stark
Gene Hull
Gary Buster
Roger Zwicker
Jay Steindorf
Larry Neal
Bryan Fair

Visitors

Aaron Buster
